

How to introduce a restriction and set a condition

HOW TO INTRODUCE A RESTRICTION AND SET A CONDITION

Allowing for the circumstances,...

... at the very least.

As long as / So long as...

At any rate / In any case / Anyway,...

At best,...

At least,...

At worst...

Except (for) / Apart from... / Aside from...

granted that...

If by (any) chance...

If necessary / If need be / If the need arises,...

In case...

In either case...

In most cases,...

In such a case / In such circumstances...

In that (this) case...

In the event of...

In the event that...

In the present case / In this particular case,...

In this instance,...

In view of this,...

in which case...

Insofar as...

Let's suppose/assume that...

No matter what they say / No matter what people say,...

On condition that

Or else,...

Otherwise...

Provided (that)

Provided always that...

Supposing / Assuming that...

To a large extent,...

To say the least.

To some extent / Up to a point...

Unless...

Whatever happens,...

With a few exceptions, ...
