## HOW TO WRITE A POSTCARD

### TO START

Hi/hello Tina!

Hi guys!

Dear Sarah and Paul

### WHAT TO WRITE?

I'm having a great time.

I'm really enjoying myself.

I have been spending all day on the beach.

I met some nice people.

It is wonderful.

I had food poisoning!

The best thing is the food.

The people are so friendly.

The weather is great / sunny / freezing.

The weather's lovely.

The worst thing is the crowd.

There are so many sights to see.

There's nothing to do.

We are going to stay for ten days.

### ENDING THE POSTCARD

See you soon. Take care!

Thinking of you.

Can't wait to get home.

Love you.

I miss you all.

I wish you were here.
